EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIM:

Claim 12, line 8, insert ",", after "device"

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose all the limitations recited in claim 12, including the combination of a semiconductor device structure comprising: an inner region including an SRAM section and/or a logic circuit section and having MOS transistors operating at a first voltage; and an outer region including an interface section, the interface section comprises the second MOS transistors operating at a second voltage higher than operating first voltage of the first MOS transistors .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
